5. Examination Reforms Implemented:

- (i) **Terminal Theory Examinations:** The College conducts internal terminal examinations approximately 20 days ahead of final university theory examination. This enables students to complete their studies in advance and prepares them mentally for their better performance in the university examination. The results of all the internal examinations are displayed on notice board and the students' queries are discussed and they are given proper guidance for final examination.
- (ii) **Departmental Level Test Examinations:** Faculty members conduct topic-wise short answer, objective type, short notes type examinations and the results of which are declared to students in their respective classes. These examinations help for continued internal evaluation of students.
- (iii) **Departmental Level Seminars on Topics from Syllabus:** The third year students are given an opportunity to deliver and deliberate on any one topic of their interest from their syllabus. This gives students, exposure to stage and enhance confidence to present in front of the class. Teachers guide students regarding the preparation of topic and the art of presentation skills.

11. New Collaborative Research Programmes:

- (i) **Dr.A.H.Manikshete:** The research work of Prin. Dr. A.H.Manikshete and his colleagues is currently carried out in collabouration with the ‘S.I.C.E. Society’s Shankaran Nair Research Center for Nanotechnology’. The common areas of research interest are mainly life sciences and nanomaterials. The technical know-how between these two laboratories will be share shared on mutual basis.
- (ii) **Dr. K.R.Rao:** Mrs. V.S. Shagalolu, research student of Dr.K.R.Rao of Department of Zoology, has carried out her research on proteomics and lipidomics from Cellular & Molecular Biology, Hyderabad. Dr.K.R.Rao and Dr.K.R.Reddy, Asso.Prof. Department of Zoology, BAMU Marathawada University, Aurangabad are collaborating on hydrobiological studies from various aquatic bodies from Maharashtra and they have coauthored their findings through joint publications.
- (iii) **Dr. M.R. Asabe and Dr.V.T.Vader:** The research work of Dr.M.R.Asabe, Asst. Prof. of Chemistry, on thin films and its applications is being conducted in collabouration with Prof. Prakash Hankare, Shivaji Univesity, Kolhapur. The research output is visible through some good impact factor publications in journals of repute.
- (iv) **Mr.R.V.Hippargi:** Mr.R.V.Hippargi, Asst. Prof of Zoology, is conducting research work on Arachnology in collaboration with Department of Zoology, S.G.B. Amravati University, Amravati, Indian Arachnological Society, Amravati & Wildlife Institute of India, Dehradun.

12. Research grants received from various agencies:

Following table shows the details of the grants received through various agencies during academic year – 2011-12.

14. Remedial Coaching:

This year remedial coaching and counseling has been conducted in the subject of Geology and Mathematics. The target group for counseling is those students who failed in the respective subjects or those who have obtained less than 50% marks. More that 15 students were benefited through personal coaching from staff members.

40. Good Practices of the Institution:

1) Enhancement in the Output of Consultancy Services:

The College has given more thrust this year on increasing consultancy through offering the know-how in science and technology. The Dr.P.D.Mali, Asst. Professor of Geology is offering consultancy in ground water survey since last two years and he has received immense response from farmers from the area. He has brought about an agreement with the College for sharing the revenue generated through the ground water consultancy and research development. His consultancy played key role in the Solapur and Osmanabad district, which comes under low-annual-rainfall zone. His success rate is more than 95% and the farmers from this drought prone area are really benefitted from this service. The fund generated is shared on mutual basis and is used for purchase of instruments pertaining to consultancy. This year the department of Biotechnology has also started consultancy in the field of environmental sample analysis, microscopy and biochemical analysis. A formal and Informal Consultancy Register was maintained and it was also decided to write popular articles in Local News Papers to make general public aware about the various consultancy facilities available at Walchand College of Arts and Science, Solapur. The details of funds generated and the total number of beneficiaries in 2011-12 is given in the table.

| Sr. No. | Name of Faculty | Type of Consultancy | Number of Beneficiaries | Revenue Generated |
|---------|---|-------------------------------|--|-------------------|
| 01 | Dr. P.D.Mali, Department of Geology | Ground Water Investigation | Farmers – 93 Industries – 03 Institutes - 01 | Rs. 1,54,200=00 |

| | | | | |
|----|---|-------------------------|----------------------|--------------|
| 02 | Department of Biotechnology and Chemistry | Soil and water analysis | 04 research students | Rs. 7,180=00 |
| | | Total | 101 | 1,61,380=00 |

The fund generated this year was utilized partially for the purchase of '**Water Level Indicator**' and in future it is proposed to purchase other instruments for groundwater exploration. Students of geology also participated in the consultancy and learned the method practically.

Informal consultancy was offered to various colleges on preparing for NAAC re-accreditation: Mauli Mahavidyalaya, Wadala, Shivdare College, Solapur and C.B.Khedgis's College Akkalkot.

A register for consultancy was maintained and it was also decided to write popular articles in Local News Papers to make general public aware about the various consultancy facilities available at Walchand College of Arts and Science, Solapur.

The Department of Geology has already started successfully consultancy in Ground Water Survey and in the academic year 2011-2012 approximately 1.54 lakh have been earned and more than 93 farmers in and around Solapur have utilized this service successfully.

Department of Biotechnology has also started consultancy in the field of Biotechnology and Molecular Biology. The facility available in the Department is offered at nominal cost to research students. This year approximately Rs. 10,000.00 has been generated through consultancy. The amount generated through consultancy has been utilized for purchasing microscopes for Geology Department.

2) Introduced Teacher Sponsored-Students Aid Fund (TS-SAF):-

Under the innovative programmes the college has initiated from this year Teacher Sponsored-Student Aid Fund (TS-SAF). This scheme since its inception has been appreciated and hailed by one and all as the only scheme of its sorts anywhere in other colleges, as evidenced by appreciation received from print media as well as general public of the region.

Under this scheme all our teachers unanimously came forward with a genuine motive to help poor and needy students. The basic aim is that 'no student should drop his education for the want of money'. More than 72 students benefitted through this scheme. Students were offered with note books, text books, books on competitive examination, MH-CET books, College Uniform, Tour Expenses, College Fees, Bus Passes, and Examination Fees. The management of the college was impressed with this gesture of staff members and appealed students to work hard and wished students of any sort of help. From the academic year 2011-12 each teacher contributed Rs. 100 and Rs. 50 respectively from senior and junior section and the total amount generated for the academic year 2011-12 amounted to 63,000=00. 4) Initiated Activities of Women’s Study Center:

This year our college as part of innovative programmes had established Women’s Study Center in the month of January 2012 with the sole objective of development of women and proposed various welfare measures that can be undertaken for our girl students. The center received grand response as the membership of girl students exceeded more than 206 within two months. Following programmes were held under the aegis of center.

a) Inaugural Activity:

The center was inaugurated on 12th January, 2012 on the auspicious occasion of Rashtramata Jijau Birth Anniversary and Birth Anniversary of Swami Vivekananda (Youth Day). Ms. Manjusha Miskar, deputy district collector, Solapur enlightened the audience on the importance and need of career planning and time management. She especially focused the need to empower women for the holistic growth of society and nation as a whole.

b) Workshop on haemoglobin testing and nutritional counseling:

This workshop was held for girl students and ladies staff members. The programme was organized in association with Family Planning Association of India (FPAI), Solapur branch on 30th January, 2012. Mr. Madhukar Lokhande, Vice president of the FPAI, Solapur was the chief guest for this event and he enlightened the members on the aspects of significance of health and nutritional requirements for healthy life. A total of 134 students and staff members had availed the hemoglobin testing services and received suggestions to improve the haemoglobin level to avoid anemia.

Ms. Aprana Ramtirthakar was invited as a resource person to deliver a talk on the topic of 'Women and culture' on 24th Feb, 2012. The guest enlightened students about role of women in perpetuating Indian culture.

5) Successful Implementation of 'The Mentoring System':

This year the parent-teacher association has got a fillip with introduction of a 'Mentoring System'. This is a unique initiative to promote character development of the student through personalized education for holistic development of students. Under this scheme, a mentor who is a member of the college staff is assigned with 20-30 students' each and personal relationship, based on trust and confidence is forged between the mentor and the student through periodic conversations. The mentors' task is to take a direct and personal interest in each student's academic development. The mentoring system is a sort of home-college collaboration. Parents meet with their students mentor minimum once in a year to work together towards students' total development. Based on the mentoring, parent of the student are regularly informed about students' progress their behavioral lapses by sending letters.

The support of the parents has been a major strength to the college. During the parent-teacher meet the parents & students are given a sort of orientation to brief them about the various activities on campus. Parents and students are encouraged to meet the principal and concerned faculty for registering their needs and aspirations about their ward and college takes utmost care to fulfill their demands.

6) Effectively involved stakeholders in Vidya Samitee for getting inputs on curricula (The college level Board of Studies):

The Vidya Samitee, a College-level Board of Studies consists faculty of the Departments, academic peers and students. The objective of the Vidya Samitee is to involve and seek the guidance of the stakeholders of higher education in improving and restructuring of the curriculum. The Samitees for different Departments held meetings, discuss the present curricula and forward the necessary suggestions to the respective Board of Studies with Solapur University under the guidance of Principal Dr. Ajit Manikshete.

7) Organized Book Exhibition:

The library department has conducted Book Exhibition of old books from 17 -19th September, 2011. Books on various subjects were on display and sale at nominal prices for staff and students. The Departments of Science have been provided with separate library facilities involving reference and textbooks. The faculty, research scholars and students refer the literature for study and research purposes.

8) Publication of 'VIDYARAYAN'- The Annual College Magazine: The College publishes "Vidyaarayan", the Annual College Magazine. The approach of the magazine is multidimensional and it mainly focuses on the yearly achievements of the college and students in academic, curricular, co-curricular, non-academic, research and development activities. Students are provided an opportunity to express their hidden talent in literary, cultural, social, sports, arts and scientific tempor through their articles in the magazine. The last years magazine was released at the auspicious hands of Shreeman Ranjeet Gandhi, Secretary of our trust in presence of Hon. Trustees Bhushan Shah, Shri Parag Shah.

9) Conduction of Annual Event 'Bhauasaheb Gandhi Memorial Elocution Competition': The trust of the College organizes every year its most prestigious State Level Bhauasaheb Gandhi Memorial Elocution Competition on the occasion of Birth Anniversary of Late Bhauasaheb Gandhi, the visionary of Walchand Group of Education. 42. Action Taken Report on the AQAR of the previous year:

The AQAR report of the Academic year 2011-12 was sent in time with all the necessary documents along with the report. The AQAR 2011-12 copy is also displayed on the college website.

43. Any other relevant information the institution wishes to add.

(i) Yashwantrao Chavan Maharashtra Open University (YCMOU) Study

Centre

The college successfully runs Yashwantrao Chavan Maharashtra Open University (YCMOU) Study Centre. Students from remote areas, working professionals and regular students get the opportunity to enroll in various

courses offered by the study center. Following courses are offered currently through the center.

- 1) B.A. & B.Com.
- 2) B.A. in Journalism and Mass Communication and
- 3) Diploma in Journalism and Mass Communication.

(ii) Use of College Infrastructure for Conduction of various Examinations:

The college building and manpower is made available for various government and other institution examinations on Sundays and holidays. This year following examinations were held at our college.

| Sr. No. | Examination |
|----------------|---|
| 01 | State Eligibility Test Examination |
| 02 | Bank Examination |
| 03 | C.A. and CPT Examination |
| 04 | Solapur University, Solapur Examination |
| 05 | Solapur University Central Assessment Programme |

Section C: Outcomes achieved by the end of the year

(1) Recognition and Appreciation to Our College as Ideal College in Solapur by

Halo Medical Foundation, a social organization from Solapur has selected our college as Ideal College for providing outstanding contribution in the field of education. Such laurels to the Institute are possible due to unflinching support from our current Chairman Shreeman Arvind Doshi and Shreeman Ranjeet Gandhi, Trustee Secretary, who constantly take dedicated efforts for the all round development of our Institution. Our mission to educate students for career success and our vision to transform lives and communities through learning will be perpetuated in future also. Our institute is constantly excelling in research, scholarship and education through its pillars of hard working faculty, students and administrative staff. The institute will march ahead on the path laid by our pioneer trustee, Late Shreeman Sheth Lalchand and Late Shreeman Sheth Bhausheb Gandhi.

(2) Recognition of Science Laboratories as Research Places by Solapur University, Solapur

The Departments of Chemistry, Zoology, Microbiology and Botany have been recognized as research place by Solapur University, Solapur. Already more than 25 students are currently pursuing their Ph.D. programmes in various departments and the recognition is timely for speedy completion of work.

(3) Facilities for Information and communication Technology (ICT) to all departments:

In continuation with last two year this year too the college has continued providing ICT facilities to all departments. Majority of the departments are provided with independent computer and broadband Internet facility which is also open for access to regular UG and PG students as well as to researchers.

(4) Appointments of New Faculty:

The management of the college took immediate steps to fill up the vacancies in Biotechnology, Genetics, Zoology, and Sociology and ensured that the student to staff ratio should be as per the norms.

(5) Placement Cell catalyzing the recruitment of students:

This year our college has witnessed a steady increase in the number of companies offering training and recruitment to our students. Companies offered attractive packages to final year students and more than 25 students were benefited by being placed in various industries and offices.

(6) New PG course introduced in Department of Geography:

In order to cater and strengthen the growing need of science students from our region, the management has added new 'M.A. in Geography' from this academic session.

(7) Strengthened the research and infrastructure facility through purchase of high-throughput instruments:

The Departments of Chemistry, Zoology, Microbiology and Botany have been recognized as 'Research Place' by Solapur University, Solapur. Departments have been recognized as research place by Solapur University, Solapur. This recognition is vital as more than 20 students are currently working for their Ph.D. work in various science departments.

The college management has taken up the task of providing all necessary facility for basic and advanced research in science. This year high throughput instruments were purchased for providing highest quality standards in results. Department of Biotechnology, Genetics, Chemistry, Botany, Geology, and Zoology are using these instruments to run their major and minor projects. The facility of these instruments is shared through minimal costs to outstation students as well as with collabourators and Laboratories, colleges and organizations with which our college has developed Memorandum of Understanding.

(8) Introduction of New certificate courses on 'Gender Sensitization, Textile Chemistry, Naturopathy and Cosmetology, and French Language':

As per the new initiative taken up by UGC to introduce vocational courses, our college has geared up with the challenge by introducing 03 UGC sponsored and 01 college level certificate courses. The basic aim is to fulfill the need of educated and skilled manpower in vocational fields.

(9) Enhanced research output visible through more numbers of minor and major projects:

The research output of the college is visible as this year too our college has witnessed inflow of funds through additional major and minor research projects sanctioned by UGC and ISSAR. Now, almost all faculty members of college is engaged with research through funding. Many of the research topics are of significance at local, national and international level relevance. As of now more than 30 minor and 04 major projects are currently ongoing in the college.

(10) Upward Trend Seen in Publication Output:

The research output in the college has seen continuous upward swing in number of publications in peer reviewed journals, paper presentations in

national and international conferences, offering of services in R & D through consultancy, selection of faculty members as fellows of prominent societies, increased tie-ups and MoUs, and contributions of articles and chapters in books.

(11) Faculty is encouraged to Participate in International & National Conferences, Seminars, Workshops, and Training Programmes:

The principal of the college encourages and supports faculty to participate in conferences. This year faculty members participated and presented their work at international conferences held at South Africa, Thailand, Malaysia, Rajasthan, Haridwar, and majority of the faculty presented their research work in various seminars, workshops, symposiums.

(12) Organized Conferences and Seminars on Topics Addressing the Biodiversity value of Arachnids, Human Rights and Exclusion, and Sociological Views on Asymmetry in Indian Society:

The three conferences, symposia and seminars on biodiversity, human rights and Socio-Economics of Indian society focussed tried to provide appropriate forum for researchers to explore and deliberate avenues and challenges of respective theme.

(13) Provision of Consultancy Services through Consultancy Cell:

This academic year the consultancy services has seen more diversification with more than 100 beneficiareis, including farmers, industries, and students. The amount raised through consultancy has been tripled. The Department of Biotechnology has ventured in to consultancy by providing services in microscopy, biochemical analysis and soil and water testing. It has been proposed that, from the next academic session the department of Chemistry too will start consultancy in chemical analysis using Atomic Absorption Spectrophotometry, FTIR, and UV/Vis Spectrophotometry.

(14) Increased Students Participation in Research, Sports, Literary, Cultural and Social Activities:

More than 20 students of Department of Biotechnology, Microbiology, and Zoology participated in various conferences. One student from Department of Biotechnology participated in 2nd International Conference on Stem Cells and Cancer organized by Agamy Biotech Private Limited, Pune from 15-18th October, 2011. The P.G. students of Marathi, Economics, Hindi, English, Genetics, Bioinformatics, and Chemistry actively participated in P.G. Seminar and state level research festival *Avishkar*. Some highlights of students achievements are as follows

i) Mr. P.G. Mahmane: Student of B.Sc.III Biotechnology won 'Second Prize' in poster presentation at National Seminar at Palus, Sangli on 30/11/11 to 1/12/11. He has also presented research paper in 'International Conference on Business Opportunities in Life Sciences held at Modern

College of Arts, Science and Commerce, Pune on 28-30 January, 2012 and took active participation in '2nd International Conference on Stem Cells and Cancer (ICSCC-2011)' held from 15-18 October, 2011.

ii) Mr.A.S.Atkare: Student of M.Sc. Chemistry has won second prize for research paper presentation

iii) Miss. Heena Shaikh: Presented research paper in National conference on Arachnology and participated in field and laboratory workshops

iv) Mr. Yogesh Joshi: Student of M.Sc. II Bioinformatics presented research paper on Insilico characterization of toxins in National Conference on Arachnology held on 13-15 October, 2011. He has also presented his paper on 'Sequence Analysis and Prediction of Antigenicity for Alpha and Beta Neurotoxin in Scorpion' at the National Conference on Frontiers in Life Sciences held at S.G.M. College, Karad. He has also participated in 'State Level Seminar on Application of Computer in Biological Sciences' held at K.B.P. College, Pandharpur

v) Mr. Pravin Gore: Student of M.Sc. II Bioinformatics presented research paper entitled 'Structure Based Diversity Studies of PLA2: A Potent Snake Venom Neurotoxin' in National Conference on Frontiers in Life Sciences held at S.G.M. College, Karad

vi) Miss. Priyanka Kshirsagar, Miss. Rucha Kognole, Miss. Sadhana Patil, Miss. Shama Mujawar, Mr. Vaibhav K and Mr. Pratik Mhamane: students of B.Sc. Biotechnology and M.Sc. Bioinformatics participated in National Conference on Frontiers in Life Sciences held at S.G.M. College, Karad

vii) Miss Preeti J and Miss. Rohini Mane: Students of M.Sc. Part I Bioinformatics participated in 'State Level Seminar on Application of Computer in Biological Sciences' K.B.P. College, Pandharpur

viii) Mis. N.H.Inamdar: Student of B.Sc. Mathematics was selected for one month training for Mathematical Training & talent Search Programme held by National Board for Higher Mathematics.

(15) Organization of Study tours, excursions, industrial visits & summer training programmes:

The college organizes various excursion tours and industrial visits throughout the year for exposing students to gain practical knowledge. This year more than 08 tours were organized and the list is as follows

a) **B.Sc. Part-I Biotechnology:** - The first year biotechnology students visited Kolhapur and surrounding sanctuaries, lakes to study general flora and fauna.

b) **B.Sc. Part-II Biotechnology:** - As a part of their study to learn food processing units students visited many small scale and large scale food and

fruit processing units at Mahabaleshwa. They had also visited, seas shore at Mahad to study the faunal diversity of marine organisms.

c) **B.Sc. Part-III Biotechnology**:- The students visited Gir Forest, the last abode of the Asiatic lion (*Panthera leo*). They had also visited the milk processing unit at Anand (Gujrat).

d) **B.Sc. Part-I-Regular Batch**: - Visited Ramling Forest, Osmanabad district, Maharashtra for studying ecosystem, flora & fauna.

e) **B.Sc.Part II regular and III (Zoology)**:- A visit was organized at Mahabaleshwar, Pratapgarh, and Dapoli beach for studying forest and marine ecosystem.

f) **B.Sc. Part III – Zoology**: Two short tours were taken to visit dairy farm at Akluj and Ujani Dam to study fish culture unit for studying fish culture. A visit was also organized at ‘Great Indian Bustard Sanctuary, Nannaj’ to study the habitat and population of critically endangered Indian Bustards (*Ardeotis nigriceps*).

g) **B.Sc.Part-III-Geography**:- The students visited some exotic and historical locations in the northern part of India.

h) **M.A. Part-I Geography** students’ organized one day tour at Kudal Sangam, a place of pilgrimage significance.

i) **B.Sc.III chemistry** students visited Burgul Textiles and Gaddam Textiles to study textile manufacturing and processing on 1/12/11.

j) **Political Science students** visited Solapur Municipal Corporation on 2/1/12

k) **B.Sc. II Biotechnology students** visited pathology laboratory for demonstration of ELISA at Ashwinin Sahakari Hospital, Solapur

l) **Teaching Faculty Tour**: The annual tour of faculty is planned in the month of May-2012. This year it is planned to visit some exotic locations in North India. The tour serves both purposes of giving some leisure moments and also adds to the experience as the list of places visited include sanctuaries, historical monuments, natural geological wonders, scientific laboratories.

Section D: Plans of HEI for the next year:

- (i) The college proposes renovation of science Laboratories
- (ii) To increase research facility in science by augmenting more facilities
- (iii) To take appropriate steps to initiate PG course in Biotechnology
- (iii) To effectively implement UGC sanctioned career oriented certificate courses
- (iv) To increase research collaborations with national laboratories through MoU
- (iv) To propose new major, minor research projects and enhance research output through quality publications
- (vi) To conduct national seminars, conferences & workshops.
- (vii) To strengthen the schemes of mentoring system and earn and learn schemes
- (viii) To increase consultancy services
- (ix) To enhance students participation in research and student placements in summer/winter fellowships, industrial projects, NGOs, and state and national level seminars and conferences.
- (xi) To enhance the facilities in the library by introducing new titles of books as well as journals.
