# ***Guidelines for the Creation of the Internal Quality Assurance Cell (IQAC) and Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions***

## **Introduction**

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts and measures of the institution towards promoting its holistic academic excellence.

The guidelines provided in the following pages will guide and facilitate the institution in the creation and operation of the Internal Quality Assurance Cell (IQAC). The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation it can inculcate in all the constituents of the institution. It will not be yet another hierarchical structure or a record-keeping exercise in the institution. It will be a facilitative and participative voluntary system/unit/organ of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies to remove deficiencies and enhance quality like the "Quality Circles" in industries.

## **Objective**

*The primary aim of IQAC is*

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

## **Strategies**

*IQAC shall evolve mechanisms and procedures for*

- a) Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks;
- b) The relevance and quality of academic and research programmes;

- c) Equitable access to and affordability of academic programmes for various sections of society;
- d) Optimization and integration of modern methods of teaching and learning;
- e) The credibility of evaluation procedures;
- f) Ensuring the adequacy, maintenance and proper allocation of support structure and services;
- g) Sharing of research findings and networking with other institutions in India and abroad.

## **Functions**

*Some of the functions expected of the IQAC are:*

- a) Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution;
- b) Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- c) Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes;
- d) Dissemination of information on various quality parameters of higher education;
- e) Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- f) Documentation of the various programmes/activities leading to quality improvement;
- g) Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- h) Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- i) Development of Quality Culture in the institution;
- j) Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

## **Benefits**

***IQAC will facilitate / contribute***

- a) Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement;
- b) Ensure internalization of the quality culture;
- b) Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices;
- c) Provide a sound basis for decision-making to improve institutional functioning;
- d) Act as a dynamic system for quality changes in HEIs;

- e) Build an organized methodology of documentation and internal communication.

### **Composition of the IQAC**

IQAC may be constituted in every institution under the Chairmanship of the Head of the institution with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders.

The composition of the IQAC may be as follows:

1. Chairperson: Head of the Institution
2. A few senior administrative officers
3. Three to eight teachers
4. One member from the Management
5. One/two nominees from local society, Students and Alumni
6. One/two nominees from Employers /Industrialists/stakeholders
7. One of the senior teachers as the coordinator/Director of the IQAC

The composition of the IQAC will depend on the size and complexity of the institution. It helps the institutions in planning and monitoring. IQAC also gives stakeholders or beneficiaries a cross-sectional participation in the institution's quality enhancement activities. The guidelines given here are only indicative and will help the institutions for quality sustenance activities.

The membership of such nominated members shall be for a period of two years. The IQAC should meet at least once in every quarter. The quorum for the meeting shall be two-third of the total number of members. The agenda, minutes and Action Taken Reports are to be documented with official signatures and maintained electronically in a retrievable format.

It is necessary for the members of the IQAC to shoulder the responsibilities of generating and promoting awareness in the institution and to devote time for working out the procedural details. While selecting these members several precautions need to be taken. A few of them are listed below:

- ♦ It is advisable to choose persons from various backgrounds who have earned respect for integrity and excellence in their teaching and research. Moreover, they should be aware of the ground realities of the institutional environment. They should be known for their commitment to improving the quality of teaching and learning.
- ♦ It would be appropriate to choose as senior administrators, persons in charge of institutional services such as library, computer center, estate, student welfare, administration, academic tasks, examination and planning and development.

- ♦ The management representative should be a person who is aware of the institution's objectives, limitations and strengths and is committed to its improvement. The local society representatives should be of high social standing and should have made significant contributions to society and in particular to education.

### **The role of coordinator**

The role of the coordinator of the IQAC is crucial in ensuring the effective functioning of all the members. The coordinator of the IQAC may be a senior person with expertise in quality aspects. She/he may be a full-time functionary or, to start with, she/he may be a senior academic /administrator entrusted with the IQAC as an additional responsibility. Secretarial assistance may be facilitated by the administration. It is preferable that the coordinator may have sound knowledge about the computer, its various functions and usage for effective communication.

### **Operational Features of the IQAC**

Quality assurance is a by-product of ongoing efforts to define the objectives of an institution, to have a work plan to achieve them and to specify the checks and balances to evaluate the degree to which each of the tasks is fulfilled. Hence devotion and commitment to improvement rather than mere institutional control is the basis for devising procedures and instruments for assuring quality. The right balance between the health and growth of an institution needs to be struck. The IQAC has to ensure that whatever is done in the institution for “education” is done efficiently and effectively with high standards. In order to do this, the IQAC will have to first establish procedures and modalities to collect data and information on various aspects of institutional functioning.

The coordinator of the IQAC and the secretary will have a major role in implementing these functions. The IQAC may derive major support from the already existing units and mechanisms that contribute to the functions listed above. The operational features and functions discussed so far are broad-based to facilitate institutions towards academic excellence and institutions may adapt them to their specific needs.

The institutions need to submit yearly the Annual Quality Assurance Report (AQAR) to NAAC. A functional Internal Quality Assurance Cell (IQAC) and timely submission of Annual Quality Assurance Reports (AQARs) are the Minimum Institutional Requirements (MIR) to volunteer for second, third or subsequent cycle's accreditation. During the institutional visit the NAAC peer teams will interact with the IQACs to know the progress, functioning as well quality sustenance initiatives undertaken by them.

The Annual Quality Assurance Reports (AQAR) may be the part of the Annual Report. The AQAR shall be approved by the statutory bodies of the HEIs (such as Syndicate, Governing Council/Board) for the follow up action for necessary quality enhancement measures.

The Higher Education Institutions (HEI) shall submit the AQAR regularly to NAAC. The IQACs may create its exclusive window on its institutional website and regularly upload/ report on its activities, as well as for hosting the AQAR.

The NAAC Accredited institutions need to submit only the soft copy as word file (.doc/.docx) through e-mail ([capuaqar@gmail.com](mailto:capuaqar@gmail.com)). The file name needs to be submitted with Track ID of the institution and College Name or EC number. For example MHCOGN16601-Samudra Arts and Science College, Taliamegu-Maharashtra.doc or EC\_32\_A&A\_143 dated 3-5-2004-Samudra Arts and Science College, Taliamegu-Maharashtra.doc. The Higher Education Institutions need not submit the printed/hard copy to NAAC. The acknowledgements would be sent to the institutions through e-mail.

## The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. *(Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)*

Provide the details of the action taken

The AQAR report is placed before the management committee through an apex body consisting of Principal, IQAC- coordinator and members of Management Information System (MIS) for review, appraisal and getting necessary suggestions.

**1. Suggestions from Industry Members:** College has continued the tradition of formation of new MOU with various industries keeping the view of Increasing Academia-Industry collaboration and providing students on job-training. This year two MOUs were established. One MOUs was established with Multiple Institutions in Maharashtra by college for Co-operation, promotion & networking of institutional quality assurance cell for standardization of policies & procedures under the aegis of IQAC Cluster Maharashtra, other one was with DBF Dayanand College of Arts & Science, Raviwar Peth Solapur for Academic, Extension and Research activities by department of Nanotechnology, this MOU has enhanced the consortium concept within the region. This year the college has seen increased campus placements. Students are given industry exposure through various excursion tours. A total of 162 students got the benefit of placement cell and got selected in various industries.

**2. Suggestions from Management:** Hon. Management members suggested for utilization and Audit of UGC-CPE funds under recurring head.- Accordingly the college has utilized the recurring grants of Rs.1200000/- and non-recurring grants of Rs-5663244/- during this year. Up-gradation of Seminar Halls will be under taken using UGC-CPE funds. Three skill based certificate courses viz. Water and Soil testing, Vermitechonology and Advance instrumentation will be given financial assistance from UGC-CPE.

**3. Suggestions from Alumni Member:** Alumni are institutes most loyal supporters and most potential fund raising prospects. In alumni association meeting the resolution was passed to provide water cooler system to college which will be installed for students benefit in the college premises. Purchase of two blue star water cooler of Rs.1,40000/- was done from the funds generated by Alumni Association

**4. Suggestion from Parents:** Parents suggested for enhancement of programmms related to Employment, career counseling & job placement activities, accordingly college has organized workshop on 20 programmes related to placement cell activities and 162 students have been placed in various industries.

#### 3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

1. Through **augmentation of more research infrastructures for Arts, Science, Biotechnology, and Social Sciences**: The College has most of the basic and high throughput instrumentation as required for classical and advanced research. Research work has been enhanced through purchase of instruments made from UGC-CPE funds.
2. **Through involvement of students in research projects, publications & participation in seminars**:- Students of UG and PG are exposed to the need based research through discussions, research journals, publications, visit to national and regional laboratories and interaction with scientists. Eight students received prizes in AVISHKAR at inter-university level competition and three students represented at zonal while one student has represented at national level. College organized two National and two state level seminars with financial assistance from UGC-CPE grants.
3. **Publications in peer reviewed journal**: Faculty members are encouraged to publish research papers in peer reviewed journals with good impact factor, this year 84 research publication are published in various state levels, national and international journals with good citation index.
4. **Promoting Research through Minor and Major Research Projects**: Most of our staff is involved in research. Faculty members are also encouraged to apply for research grants under various schemes.
5. **Providing recognition to college laboratories and faculty**: More than 11 research laboratories are recognized as research centres by Solapur University, Solapur for doing research and are known research departments where as of today more than 33 students are pursuing their doctoral work. 14 students have successfully completed their Ph.D. degree from our college.
6. **Fellowships to students**: Students are given necessary information to obtain fellowships like DST-INSPIRE, Rajiv Gandhi Fellowship etc.

## **Best Practice –I**

### **Title of Practice: Teacher Sponsored-Student Aid Fund (TS-SAF):-**

#### **Goals:**

- (1) To provide educational and psycho-social support to needy and poor students
- (2) To reduce chances of drop-out of students for lack of any institutional support
- (3) To help girl students through donation of bicycles and other educational material for continuation of their education.

**The context:** The basic motive of this scheme is that ‘no student should drop his/her education for the want of money’. As Solapur region falls under drought prone area and students community from our college belong to poor to average background there is need to provide financial support to sustain their education.

**The Practice:** Under this innovative scheme all our teachers unanimously came forward with a genuine motive to help poor and needy students. The basic aim is that ‘no student should drop his/her education for lack of money, personal and social problems’. This scheme since its inception from academic year 2011-12 has been appreciated and hailed by print media as well as general public of this region. This initiative works in following steps.

1. Applications are invited from students who wish to avail support, guidance and help from TS-SAF.
2. The applications are then scrutinized by college committee to verify the needs and demands of students.
3. Students are called for interview and the committee members then identify the nature of problems the students face (personal, academic and social) and they are counseled.
4. After proper verification the students are offered necessary support for their continuation of education.

#### **Evidence of Success:**

1. Each year we receive more than 150 applications for various kinds of support from poor and needy students.
2. Direct interaction with students helped in establishing an emotional bond student fraternity. Students freely shared their academic, social and personal problems during their interaction with teachers. This has also helped us in extending them moral, personal, psycho-social support for students.
3. The process has till now helped more than 800 poor students in continuing their undergraduate education.
4. Students were offered help in the form of college uniform, college bags, admission fees, examination fees, bus passes, note-books, books, Study tour fees, apron, dissection box etc. as per their requirement.
5. Additionally, ‘*Bicycles for Girl Student*’, another scheme launched with the generous donation from faculty has helped poor and needy girl students who cannot manage to afford to even pay for regular bus charges to reach college. As of today more than 35 girls have taken benefit of this scheme and could continue their education.

6. This scheme since its launch has really helped us to tackle the absentee and has reduced drop out too.

7. This scheme has received accolades from management, print media and civil society.

**Resources Required:**

1. Corpus fund as necessary for the number of applicants
2. Human resource

**Obstacles faced/Problems encountered:**

1. The scheme received overwhelming response and hence the number of application received is more than the available fund.
2. We also received few proxy applications from students from well-to-do families. The problems were faced with proper discussion and counseling of students.

## **Practice –II**

### **Title of Practice: Women Studies Centre**

#### **Goals:**

- (1) To address issues related to girl students
- (2) To encourage girl students in their personal growth, career opportunities and offer counseling for psycho-social needs
- (3) To conduct training programmes, lecture series, self-defense workshops, health awareness camps and entrepreneurship development skills among girl students

**The context:** This scheme was introduced in 2011-12 with the sole objective of personality development of girl students and proposed various welfare measures that can be undertaken. The centre gets inputs on aspirations and needs of girl students and takes appropriate steps to address their issues.

**The Practice:** The needs of girl students are received in the following manner.

- (1) *Registration of girl students under this scheme:* The center receives grand response for membership from girl students each year.
- (2) *Organization of meetings with Staff and Students:* Teachers get feedback from girl students on important issues including personal, family and social aspects.
- (3) *Addressing Issues through Seminars workshops and Training Programmes:* The committee takes appropriate initiatives which ultimately help girl students to address their issues and promote them in their academics and mentoring of their personalities.

**Evidence of Success:** The centre has taken a large number of initiatives benefitting all girl students in College. This year

- (1) 6- Days **Yoga shibir** for ladies staff was organized and 58 lady staff members actively participated in it.
- (2) Cancer Awareness Programme was organized for girl students in which 260 girl students participated.
- (3) **Self Defense Camp** was organized for girls in whom 180 girls participated
- (4) **Cake Making workshop** for girls was organized in which 62 girls participated.
- (5) '**Smaran Kranti Jyotiche**' an Intercollegiate Essay competition was organized in which 80 girls participated.
- (6) An **Intercollegiate Seminar & Poster competition on** Recent Advances in Cancer treatment was organized in which 21 teams from various colleges of Solapur area have participated.

#### **Resources Required:**

Girl students voluntarily participated and successfully completed all activities initiated through the Women Study Centre with the help of financial and infrastructural aid provided by College.

#### **Obstacles faced/Problems encountered:**

The scheme received overwhelming response and hence the number of applications received for membership crossed our limit. Now, an Executive committee has taken over the responsibility and implements the activities giving maximum space for girl students to explore their talents.

## योगामुळे निरोगी मनाची देणगी मिळते : गांधी

**शहर संचार**  
► सोलापूर, दि. १९- योगा सुखी जीवनचा राजमार्ग आहे. योग्य आहार व निश्चित व्यायामाद्वारे निरोगी शरीरासोबत निरोगी मनाची देणगी मिळते, असे श्रविसादन योगतज्ज्ञ ममा गांधी यांनी केले.

वालचंद शिक्षण समूहातील वालचंद कला व विज्ञान महाविद्यालय, हिराचंद नेमचंद बाणिसव महाविद्यालय व कस्तुरबाई शिक्षणशास्त्र महाविद्यालय यांच्या संयुक्त विद्यमाने आयोजित सहादिवसीय योग शिबिराच्या समारोपप्रसंगी त्या बोलत होत्या.

वालचंद शिक्षण समूहातील सर्व महिला कर्मचाऱ्यांकरिता हे शिबिर आयोजित करण्यात आले होते.

त्या पुढे म्हणाल्या की, स्त्री कुटुंबाचा कणा असते. कुटुंबाचा समतोल सांभाळण्यासाठी स्त्रीने शारीरिक व मानसिकदृष्ट्या स्वस्थ असणे गरजेचे आहे. योगामुळे निरोगी शरीर, सुडील बोध्याबरोबरच मानसिक स्वास्थ्य व आध्यात्मिक सामर्थ्यही लाभते म्हणून योगा करायचा नसतो तर जगायचा असतो, असे मत त्यांनी व्यक्त केले.

सहादिवसीय योग शिबिरातील मार्गदर्शन व अनुभवांवाबत प्रा. शिल्पा सकोजी, प्रा. ज्योती निंबाळकर, प्रा. ज्योती वाघमारे, प्रा. रजनी क्षीरसागर, प्रा. अर्चना इंजळ यांनी मनोगत व्यक्त केले. या सांगता सोहळ्याचे सूत्रसंचालन प्रा. विजया तडकल यांनी केले.

► सोलापूर : वालचंद कला व विज्ञान महाविद्यालय आणि हिराचंद नेमचंद व कस्तुरबाई शिक्षणशास्त्र महाविद्यालय यांच्या संयुक्त विद्यमाने आयोजित करण्यात आलेल्या योग शिबिराच्या समारोपात योगतज्ज्ञ प्रा. गांधी यांचा सत्कार करण्यात आला.

तर प्रा. डॉ. रेखा ओव्हाळ यांनी आपार मानले. या शिबिराच्या आयोजनासाठी प्राचार्य डॉ. अश्वित माणिकशेटे, प्राचार्य डॉ. संतोष कोटी व प्राचार्य डॉ. शिवकुमार गमासूर यांचे सहकार्य लाभले. योग शिबिर यशस्वी करण्यासाठी प्रा. डॉ. रेखा ओव्हाळ, प्रा. डॉ. स्मिता मयेकर, प्रा. वैशाली गरगडे, प्रा. डॉ. आवेशा रंगरेज, प्रा. मीनल पांडे, प्रा. शिरीषा कुडल, अनिल काळे, सचिन लंगोटे, सुरेश होनकरे, ओम फटले व ए. आर. कस्सा यांनी विशेष परिश्रम घेतले.

सोलापूर.

सप्रेम नमस्कार,

इंडियन कॅन्सर सोसायटी ही संस्था समाजातील तरुण पिढीवर व मध्यम वयोगटातील लोकांच्या मनावर स्त्री-आरोग्य व समस्या, आहार तसेच कर्करोगाबद्दल जागृती करते. जेणेकरून स्त्रीया स्वताच्या आरोग्याकडे लक्ष देतील तसेच समाजातील कॅन्सरचे प्रमाण कमी होण्यासही मदत होईल. या हेतूने ही संस्था कॅन्सर निदान शिबीरे भरविते व प्रबोधनात्मक व्याख्यानेही देते.

ही संस्था 1980 सालापासून सोलापूरमध्ये कार्यरत आहे. या संस्थेचे सोलापूरचे जिल्हाधिकारी हे पदसिद्ध अध्यक्ष आहेत. इतर व्यवस्थापकिय संचालकांमध्ये सरकारी व निमसरकारी अधिकारी असतात. राहिलेले सदस्य हे समाजातील मान्यवर असतात.

हे समाजकार्य करण्यासाठी आम्हाला आपल्या कॉलेजमध्ये व्याख्यान देण्याची इच्छा आहे. यासाठी आम्हाला आपणाकडून कोणत्याही प्रकारच्या मानधनाची अपेक्षा नाही. व्याख्यानाचा कालावधी 45 मिनीटे ते 1 तास असेल. तरी आम्हाला आपणाकडून सहकार्य मिळावे ही नम्र विनंती.

या व्याख्यानांदर्भात खालील डॉक्टर्स मार्गदर्शन करतील.

## College Fashion फॅशन अँड ट्रेंड

वालचंद महाविद्यालयात गत आठवड्यात ट्रेंडिशनल डे साजरा करण्यात आला. साडी घालून कॉलेजमध्ये ट्रेंडिशनल डेमध्ये उत्साहात सहभाग घेतला गेला.

अजित बिराजदार । फॅशन आणि महाविद्यालयीन युवक यांचे नातेच असते. प्रत्येक वेळी ट्रेंडिशनल डे असतोच. तसा फॅशन वीकही युवा मंडळी साजरी करतात. ट्रेंडिशनल डेनिमित्त साडी घालून कॅम्पसमधील फॅशन परेडमध्ये सहभाग घेणारी ही मंडळी. कॅम्पसच्या बाहेर बिनधास्त असतात, कॉलेज म्हणजे शिस्तीचे नाते. पण ट्रेक, ट्रिप आणि इतर डव्हंटमध्येही ही मंडळी आपली छाप सोडतात. फॅशनच्या युगात आपले बिनधास्तपण जपणे हा ट्रेंडही युवा मंडळी आवर्जून सांभाळत असतात. ट्रिप, ट्रेक, पर्सनल लाइफमधील आवड-निवडही जोपासत असतात. त्याचीही ही झलक.

## **Best Practice –III**

### **Title of Practice: Title of Practice: Mentoring Scheme**

#### **Goals:**

- (1) To provide personal attention to each student.
- (2) To emphasize personal relationship, based on trust and confidence.
- (3) To develop periodic conversation with student to understand their problems and issues;

#### **The context:**

In a fast changing world with a constant demand from parents and society for academic achievements and other stresses, the students live in a world of utter confusion and tension. Looking at the need to provide them moral support and give them a proper direction for prosperous future we felt need to initiate mentoring scheme for character development of the student through personalized education for holistic development of students.

#### **The Practice:**

1. Under this scheme, a mentor who is a member of the college staff is assigned with 20-30 students each and personal relationship, based on trust and confidence is forged between the mentor and the student through periodic conversations.
2. The mentors' task is to take a direct and personal interest in each student's academic development through periodic meets with student and parents.
3. The mentoring system is a sort of home-college collaboration. Based on the mentoring, parent of the student are regularly informed about students' progress their behavioral lapses by sending letters to their students.
4. Counseling and direct help is offered to the student for his academic, personal problems.

#### **Evidence of Success:**

1. The attendance of students has increased after the initiation of mentoring scheme.
2. Helped in forging a strong relationship between staff and student based on mutual trust.
3. The scheme has resulted in 100% students getting some sort of counseling (academic, personal, psycho-social and others)
4. Meeting with parents has helped in establishing home-college collaboration. This has helped in flourishing of students and has brought positive outcomes in the form of better results and forging of constructive relationships among parent-teacher.
5. Teacher offered personal help to students for their studies, exchange of books, notes, power points etc.
6. Recommended students for in-house schemes like TS-SAF based on their needs.

#### **Obstacles faced/Problems encountered:**

Some students and parents are averse to meet faculty and hesitated to participate in teacher meets.

#### **Resources Required:**

Communication with parents through letters, e-mail and mobile messaging etc. about meeting with staff and student.
