**GUIDELINES FOR
AUTONOMOUS COLLEGES
DURING THE XII PLAN PERIOD
(2012-2017)**

UNIVERSITY GRANTS COMMISSION

XII Plan Guidelines

Scheme of Autonomous College

1. Introduction

Highlighting the importance of autonomous colleges, the UGC document on the XII Plan profile of higher education in India clearly states that: “The only safe and better way to improve the quality of undergraduate education is to the link most of the colleges from the affiliating structure. Colleges with academic and operative freedom are doing better and have more credibility. The financial support to such colleges boosts the concept of autonomy.” It is proposed to increase the number of autonomous colleges to spread the culture of autonomy, and the target is to make 10 per cent of eligible colleges autonomous by the end of the XII Plan period.

Need for Autonomy

The affiliating system of colleges was originally designed when their number in a university was small. The university could then effectively oversee the working of the colleges, act as an examining body and award degrees on their behalf. The system has now become unwieldy and it is becoming increasingly difficult for a university to attend to the varied needs of individual colleges. The colleges do not have the freedom to modernize their curricula or make them locally relevant. The regulations of the university and its common system, governing all colleges alike, irrespective of their characteristic strengths, weaknesses and locations, have affected the academic development of individual colleges. Colleges that have the potential for offering programmes of a higher standard do not have the freedom to offer them. The 1964- 66 Education Commission pointed out that the exercise of academic freedom by teachers is a crucial requirement for development of the intellectual climate of our country. Unless such a climate prevails, it is difficult to achieve excellence in our higher education system. With students, teachers and management being co-partners in raising the quality of higher education, it is imperative that they share a major responsibility. Hence, the Education Commission (1964-66) recommended college autonomy, which, in essence, is the instrument for promoting academic excellence.

2. Objectives

- a. **The National Policy on Education (1986-92) formulated the following objectives for autonomous colleges. An autonomous college will have the freedom to:**
 - determine and prescribe its own courses of study and syllabi, and restructure and redesign the courses to suit local needs; and
 - prescribe rules for admission in consonance with the reservation policy of the state government;

- Evolve methods of assessment of students? performance, the conduct of examinations and notification of results;
- Use modern tools of educational technology to achieve higher standards and greater creativity; and
- Promote healthy practices such as community service, extension activities, projects for the benefit of the society at large, neighbourhood programmes, etc.

b. Relationship with the parent university, the state government and other educational institutions:

Autonomous colleges are free to make use of the expertise of university departments and other institutions to frame their curricula, devise methods of teaching, examination and evaluation. They can recruit their teachers according to the existing procedures (for private and government colleges).

The parent university will accept the methodologies of teaching, examination, evaluation and the course curriculum of its autonomous colleges. It will also help the colleges to develop their academic programmes, improve the faculty and to provide necessary guidance by participating in the deliberations of the different bodies of the colleges.

The role of the parent university will be:

- To bring more autonomous colleges under its fold;
- To promote academic freedom in autonomous colleges by encouraging introduction of innovative academic programmes;
- To facilitate new courses of study, subject to the required minimum number of hours of instruction, content and standards;
- To permit them to issue their own provisional, migration and other certificates;
- To do everything possible to foster the spirit of autonomy;
- To ensure that degrees/diplomas/certificates issued indicate the name of the college;
- To depute various nominees of the university to serve in various committees of the autonomous colleges and get the feedback on their functioning; and
- To create separate wings wherever necessary to facilitate the smooth working of the autonomous colleges.

The state government will assist the autonomous colleges by:

- o Avoiding, as far as possible, transfer of teachers, especially in colleges where academic innovation and reforms are in progress, except for need-based transfers;
- o Conveying its concurrence for the extension of autonomy of any college to the Commission within the stipulated time of 90 days after receipt of the review committee report, failing which it will be construed that the state government has no objection to the college continuing to be autonomous; and
- o Deputing nominees on time to the governing body of government colleges and other bodies wherever their nominees are to be included.
- o All three stake holders, the parent University, the State Govt. and UGC have to play a very harmonious and pro active role as facilitators in letter and spirits.

c. Conferring autonomous status:

Autonomy granted to the Institution is Institutional and covers all the courses at U.G., P.G., Diploma, M.Phil. Level, which are being run by the Institution at the time of conferment of autonomous status. Also all courses introduced by the Institution after the conferment of autonomous status shall automatically come under the purview of autonomy. Partial autonomy cannot be given to any Institution.

Autonomous status covers certificate, diploma, undergraduate, postgraduate and M. Phil. programmes offered in colleges that are autonomous and those seeking autonomous status. The parent university will confer the status of autonomy upon a college that is permanently affiliated, with the concurrence of the state government and the University Grants Commission. Once the autonomy is granted, the University shall accept the students of autonomous college for award of such degrees as are recommended by the autonomous college. The Act and Statutes of the universities ought to be amended to provide for the grant of autonomy to affiliated colleges. Before granting autonomy, the university will ensure that the management structure of the applicant college is adequately participatory and provides ample opportunities for academicians to make a creative contribution.

3. Target Group and Eligibility Target Group:

All Colleges under Section 2(f), aided, unaided, partially aided and self-financing which are or are not covered under 12(B) of the UGC Act are eligible to apply for autonomous status. This includes Engineering Colleges also.

CRITERIA FOR IDENTIFICATION OF INSTITUTIONS FOR GRANT OF AUTONOMY

- a. Academic reputation and previous performance in university examinations and its academic/co-curricular/extension activities in the past.
- b. Academic/extension achievements of the faculty.
- c. Quality and merit in the selection of students and teachers, subject to statutory requirements in this regard.
- d. Adequacy of infrastructure, for example, library, equipment, accommodation for academic activities, etc.
- e. Quality of institutional management. (f) Financial resources provided by the management/state government for the development of the institution.
- f. Responsiveness of administrative structure. (h) Motivation and involvement of faculty in the promotion of innovative reforms.
- g. Self – Financing colleges can also apply for autonomy after they have completed minimum 10 years of existence. However, conferment of autonomy will not entitle them to receive autonomy grant. They will have to follow the same procedure as applicable to other colleges.
- h. (i) Unaided/aided colleges: Minimum 10 years of existence and accreditation by NAAC/NBA. Henceforth non-accredited colleges would not be eligible for autonomy and the existing colleges be asked to undertake accreditation within one year.
(ii) The NAAC accredited colleges should have a minimum of B Grade accreditation. The Commission further decided that in respect of Engineering/Technical/Management Colleges, NBA accreditation should be insisted for at least three courses while considering them for fresh/extension of autonomy tenure. However, for single faculty institutions accreditation for only one course should be insisted upon while considering them for fresh/extension of autonomy tenure.
(iii) While NAAC/NBA is compulsory, those institutions which have been evaluated by NBA should apply for NAAC accreditation within two years.
(iv) All those colleges which were earlier accredited and their accreditation status has now expired, but have applied for NBA/NAAC accreditation, should be granted fresh autonomous status /extension.
(v) The constituent colleges may be asked to undergo a separate accreditation by NAAC for the purpose of granting autonomy to it unless the NAAC report specifically mentions the names of the constituent colleges that have been covered along with the accreditation of the parent university
- i. Colleges that provide professional courses in Education, Engineering Technology Management and Physical Education, etc. will also be eligible to receive grants from the Commission. The sanction of such grants will depend on the size and stage of development of these colleges after attaining autonomous status

4. Preparation prior to applying for autonomy:

Preparing a College for Autonomy:

There are several areas where proper preparation is necessary if college autonomy is to be implemented successfully. These are: faculty preparation, departmental preparation, institutional preparation, and preparation of students and the local community. Such multi-pronged preparation should be completed well before autonomy is sought and conferred upon a college so that no part of the college community is found unprepared for the new responsibility which it is called upon to shoulder.

Faculty Preparation:

It is essential to get the staff of the college involved in the thinking and planning processes from the very beginning. Seminars, workshops and consultations may be organised to make the staff familiar with the concept, objectives and rationale of autonomy. (This will help them have a sense of participation in decision making and motivate them to get involved in the entire exercise). This could form part of the academic calendar of the college.

Departmental Preparation :

An important responsibility of the department is that of designing suitable courses in the major and related subjects, introducing new courses of study, renaming obsolete courses by changing their content, updating existing courses to match the current state-of-the-art in each discipline, and preparing course materials and human resources.

These will be done in the light of the general objectives of autonomy and the specific objectives of the education institutions.

Common programmes to be adopted are:

- a. Semester pattern of study
- b. Continuous internal assessment
- c. Credit/grading system
- d. Student feedback
- e. Self-appraisal by teachers

Institutional Preparation:

Since an autonomous college is called upon to perform many of the functions that the university has hitherto performed, it must study the academic, administrative/management and financial implications of such a changeover and prepare itself to discharge its new functions efficiently.

5. Procedure of applying for Fresh Autonomous Status:

The eligible colleges can apply for Fresh Autonomous Status in the prescribed format (Annexure - I) through out the year.

5. (a) Procedure of applying for Extension of Autonomous Status:

Colleges whose term of Autonomous Status is expiring should apply to UGC for Extension of their status in the prescribed format (Annexure-II).

6. Procedure for approval by the UGC:

An Expert Committee may be constituted for all fresh cases with representation of university and State Government nominees.
